

Join Scout Night TRAINING

(7pm) August 5th and 12th

Now is the time to start getting ready. It is vital that you have your pack leadership trained and prepared. This year we are looking forward to a variety of new recruitment methods.

Join Scouting Night is one of the most important events that we do as Scouters and so we want to make sure that everyone is prepared this year. It is our biggest opportunity to bring new scouts and their families into our program. Scouting is all about building values, character, and strong families. We need to get the word out!

**Join Scout Night Final Application/Registration Turn-In/Check-In will be
September 16th @ MISD Professional Building**

The first impression you give to new parents and their children is very important. Even if you have organized your pack's Join Scouting Night before, it is critical that your whole Join Scouting Night Team come to the training. Join Scouting night packets will be available at training.

Scouters should sign up now, we help from everyone to make this the best year ever. To help with this we would like everyone to fill out the below and email back to Wendi Hanna as soon as possible.
